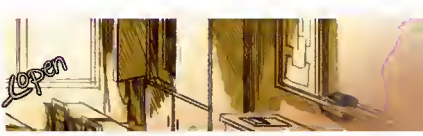
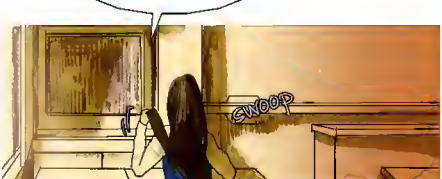
Chapter 1



Ughh. The flour isn't coming out of my hair.

That only ended up taking longer.

But thank goodness...



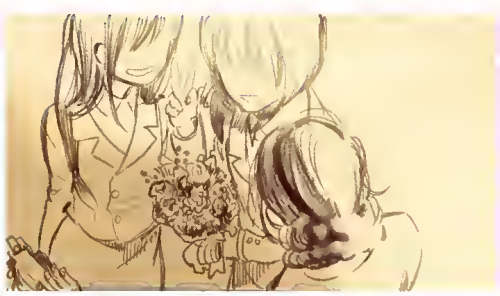
If I didn't bring my gym shorts

Since today is graduation, it would've been a disaster if I showed up like that

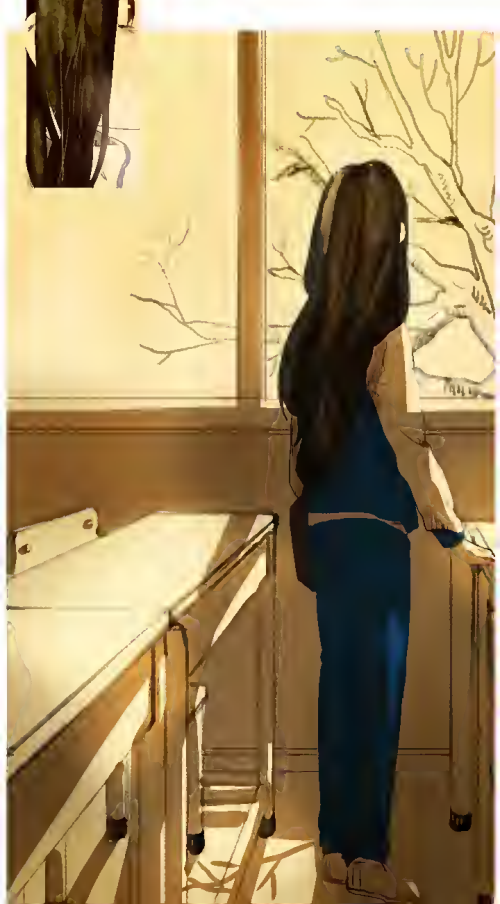
.....

Graduation..?

Right..



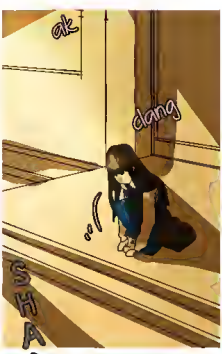
It's graduation..



tap

tap

cre



Was it a cat?

?

rustle

rustle

...?

What're you doing?

.....

.....

Ughh

Doesn't it feel like she saw us..?

scared

...Don't joke around, please

That's impossible..

Ah..

Is that kid the one Grandfather created?

Yes.

But due to his sudden death.

She's a character that could not complete her own story.

There isn't much left to write. Master almost finished it before he passed away.

How will you write her ending?

.....

Hmm...

I'll probably write down whatever comes to mind to end the story as soon as possible.

I don't want to be stuck with a story like this. It's a waste of my time.

.....

Master will be very sad to hear that from you.

.....

Then...

I'll see you at the end.

Alright. See ya~

Hurry up and go!

You said you'd end it quickly, so we should see each other relatively soon.
Hulnu...

I hope you finish the story and come home safe and sound.

SHAAK

.....

There...

He'd be sad to hear it, huh...?

YAWN~~~

Must've gone...

Sigh.

beep

beep

Bustling

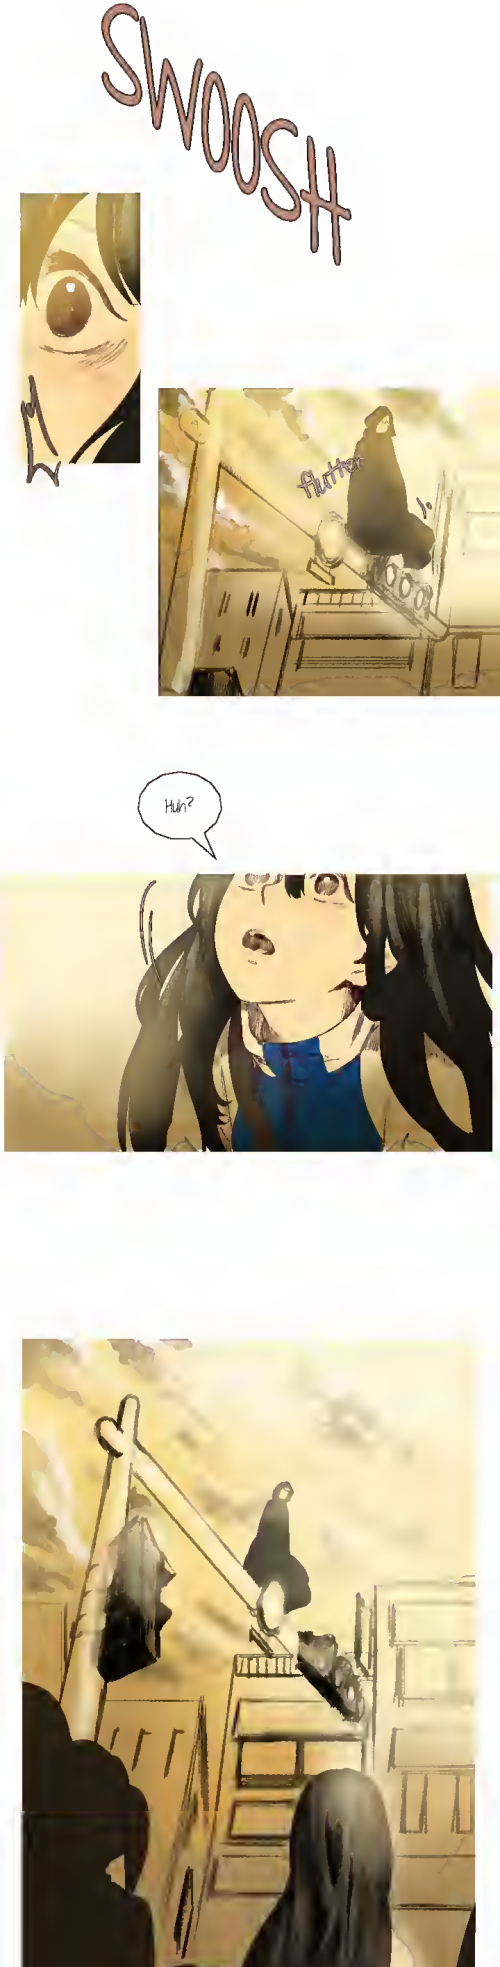
VROOM

Study hard from now on, alright?
YES!

I did consider the thought,
but they really aren't here..

On this day..
I don't even have my parents here, nor do I have any friends to celebrate
graduation with...
Hate it

Sigh...
I guess I'll just go home and sleep



SWOOSH
flutter
Huh?
